

Diploma in Fashion Technology (DFT)

Duration: 2 Years (4 Semesters)

Semester – I

S. No.	Paper Numerical Unique	Class & Papers	Paper Name / Subject
1	DFT101	1DFT1	Fundamentals of Fashion Technology
2	DFT102	1DFT2	Textile Science
3	DFT103	1DFT3	Fashion Illustration & CAD Basics
4	DFT104	1DFT4	Basics of Pattern Making & Garment Construction

Course Details (Semester – I)

- **Fundamentals of Fashion Technology** – Fashion history, scope, and trends.
 - **Textile Science** – Fiber, yarn, fabric, dyeing, and finishing.
 - **Fashion Illustration & CAD Basics** – Sketching and digital drawing introduction.
 - **Pattern Making & Garment Construction** – Drafting, sewing, garment construction basics.
-

Semester – II

S. No.	Paper Numerical Unique	Class & Papers	Paper Name / Subject
1	DFT201	2DFT1	Advanced Textile Studies
2	DFT202	2DFT2	Apparel Production Management
3	DFT203	2DFT3	Fashion Communication & Marketing

S. No.	Paper Numerical Unique	Class & Papers	Paper Name / Subject
4	DFT204	2DFT4	Garment Construction (Intermediate)

Course Details (Semester – II)

- **Advanced Textile Studies** – Technical textiles, fabric testing.
- **Apparel Production Management** – Workflow, quality control, supply chain.
- **Fashion Communication & Marketing** – Branding, merchandising, retail.
- **Garment Construction (Intermediate)** – Blouses, shirts, skirts, traditional garments.
