# Diploma in Fire Safety Engineering – 6 Months

## Semester – I (Only Semester)

S. No.	Paper Numerical	Unique Class & Papers	Paper Name / Subject
1	16101	1DFSE1	Principles of Fire Engineering
2	16102	1DFSE2	Fire Protection System Design
3	16103	1DFSE3	Industrial & Electrical Safety
4	16104	1DFSE4	Practical & Project

### Course Details:

- Fire dynamics, heat transfer, fire load.
- Designing hydrant, sprinkler & alarm systems.
- Industrial hazards and electrical protection.
- System testing, design project.
